## General Comment

Hey government - lay off my money - I earned it - not you. I can handle my own retirement planning, saving, spending and anything else that has to do with my life, liberty and pursuit of happiness. If you do not see your sole function in government to protect my freedom and liberty, please resign right now. We the People expect you to honor your oath of office to uphold and defend the constitution of the United States of America - a country, not a corporation. In your case, less is best.
